

## **HOTEL RESERVATION**

**Please select one of the hotels and read carefully the cancellation policy before booking online with the [hotel booking form](#) (click on “hotel booking form) or copy and paste the entire URL into your browser's address bar (PLEASE NOTE THAT THE ONLINE RESERVATION FORM WILL BECOME AVAILABLE WITHIN MIDDLE OF MARCH)**

**In order to secure your reservation in case of cancellation or no show a credit card number is needed.** The hotel will charge your credit card according to the relevant policy of payment and cancellation. We suggest you to book as soon as possible.

**Reservations will be accepted according to “first come first served”** that is according to time and date of request. **Room blocks will be constantly updated on the website** and whenever a hotel is no longer available it will be erased from the reservation form.

**Reservations are subject to confirmation** on our side; you will get an email with a confirmation number of the hotel.

After the release dates rooms are subject to availability and may be subject to higher rates thus we strongly suggest to book as soon as possible so as to get the best available price and to secure your room at your preferred hotel.

**Booking a room through Full Day allows us the opportunity to provide personal assistance with your reservation in case of need.**

If you prefer to book a room on your own please take into account that hotel standards in Napoli are lower than the official and international standards so we strongly suggest to skip the cheapest rates or 1 or 2 stars properties. Please note that most hotels are not walking distance from the conference venue so before booking please make sure that they are well served by public transportation.
